Mentor, Lake County, Ohio

LOCATION. One of our nurseries is located $2\frac{1}{2}$ miles east of Mentor, Ohio, at stop 68, on the Cleveland, Painesville and Ashtabula Electric Railway. The cars stop in front of the grounds.

The wholesale department is one mile north of stop 67, at the junction of Jackson and Heisley Road.

Our nurseries are devoted to the growing of high grade nursery stock, including a large variety of rare and choice specimen plants, which are not included in this list. We would be pleased to answer correspondence concerning same.

Our stock is handled and packed with care, and upon delivery to railroad depot or other carriers, our responsibility ceases. In case stock arrives in damaged condition, kindly notify us immediately, also freight agent regarding same, and claim for damages should be entered against the railroad or express company at the time stock is received. In case of neglect to report the above, no claim will be entertained after three days from receipt of stock.

PRICES in this list apply on orders calling for quantities quoted. We will be pleased to quote prices on larger quantities, including car-load lots.

GUARANTEE. We guarantee our stock to be true to name, and in case it is proved to be otherwise, we will replace the stock or refund purchase price.

We will not substitute unless purchaser gives instructions to do so, in which case we would substitute varieties nearest those ordered.

SHIPPING. We can ship via New York Central, New York, Chicago & St. Louis, Baltimore & Ohio Railroads, also American Express or Electric Package.

TERMS. Cash with order from all unknown correspondents. No charge will be made for packing if remittance is sent with order. If no remittance is received with order, packing will be charged for to cover the cost of materials used.

REFERENCES. Customers desiring credit should send Business and Bank references, otherwise no attention will be paid to orders.
